10	UNITED STATES OF AMERICA,	CASE NO. 1:21-CR-00179-JLT-SKO	
11	Plaintiff,	STIPULATION TO CONTINUE	
12	V.		
13	CARLOS EFRAIN PEREZ		
14	Defendant.		
15		J	
16	Plaintiff United States of America, by an	ad through its counsel of record, and defendant, by and	
17			
	through defendant's counsel of record, hereby stipulate as follows:		
18	1. By previous order, this matter was set for	r a status conference regarding the mental competency of	
19	the defendant on December 2, 2022.		
20	2. On July 25, 2022, the court forwarded to	the parties a letter from Warden Boncher of The	
21	Federal Medical Center, Devens indicating that the study on Defendant is expected to be		
22	completed on November 4, 2022, and that Defendant will then be transported back to the Eastern		
23	District of California and the court will r	eceive a final copy of the forensic evaluation within four	
24	weeks of that date.		
25	3. On November 14, 2022, the government	received an email indicating that defendant's evaluation	
26	was scheduled to be completed by November 18, 2022.		
27	4. On November 28, 2022, the government i	received an update from the Bureau of Prisons indicating	
28	that Mr. Perez's evaluation had been com	pleted and that a report would be completed by Mid-	

December.

5. Based on all the above, the parties seek to continue the status conference regarding the mental competency of the defendant until December 16, 2022.

- 6. The parties agree and stipulate, and request that the Court find the following:
 - a) The ends of justice served by continuing the case as requested outweigh the interest of the public and the defendant in a trial within the original date prescribed by the Speedy Trial Act.
 - b) Having found by a preponderance of the evidence that the defendant is presently incompetent to stand trial, the Court ordered the defendant committed to the custody of the Attorney General for a period of four months for treatment in a suitable facility, pursuant to 18 U.S.C. § 4241(d).
 - c) The defendant's mental health status has not been resolved and the parties cannot proceed to trial on the case until defendant's mental health status is resolved.
 - d) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time period of December 2, 2022 to December 16, 2022, inclusive, is deemed excludable pursuant to 118 U.S.C. § 3161(h)(4), for "delay resulting from the fact that the defendant is mentally incompetent . . . to stand trial" and because good cause exists for the continuance of a status conference, and time should be further excluded as the ends of justice outweigh the interest of the public and the defendant in a speedy trial pursuant to 18 U.S.C. § 3161(h)(7)(A).
- 7. Nothing in this stipulation and order shall preclude a finding that other provisions of the Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial must commence.
- IT IS SO STIPULATED.
